Disconnect the Motorized
Water Treatment Cart from
the dialysis machine for
proper positioning in
patient rooms

Ergo-Express® Dialysis Cart

Custom built to fit your
unique equipment needs

FEATURES & BENEFITS

The Ergo-Express® Dialysis Workstation can pay for itself in just one year*

Custom Built – Modular Design

- Built to your specifications; the perfect fit to your exact application requirements (accommodates all major portable dialysis and water treatment equipment)
- Cabinets and drawers are rackable and reconfigurable now and in the future – should your needs change the cabinet can change with you
- Stainless steel: no worries of corrosion

Drive System

- Center mounted providing a small turning radius and easy maneuvering
- Optional retractable drive provides unparalleled maneuverability

3-Year Warranty

- Three-year limited warranty

ETL Certification

- Meets UL®, State, Local, Federal Electrical Safety and JCAHO requirements
- No additional testing or certification is required

Ongoing Customer Service

- 24/7 Operational and Technical support; call anytime day or night for the life of the product

*Some variables in your evaluation could affect actual return on investment time beyond one year.
