

ERGO-EXPRESS[®] PTC1

Attendant Driven, Motorized Patient Transport Chair FDA 510(k) Cleared, 750lb Capacity

Nursing and transport staff, medical technicians, and volunteers are faced with **transporting patients** multiple times a day with **manual wheelchairs**.

Now there's a better way!

The Ergo-Express[®] PTC1 Chair virtually eliminates injuries related to manual transport of patients by providing:

- **Power Drive System** virtually eliminates ergonomic issues on carpet, over thresholds, and on ramps
- **750lb Capacity** fulfills up to 95% of all transport requirements
- **180° Swivel Comfort Padded Rotational Seat and Back Rest** for easy on/off patient transfer and added comfort during patient transport
- **IV Pole** for increased efficiency and attendant safety during transport
- **O2 Tank Holder**
- **Stops Automatically** and sets parking brake
- **Two-Year Parts Warranty** (includes electronics)
- **Technical Service Hotline 24/7**
